- **Due to UK law any airsoft weapon over these set limits will not be allowed to be used at all on our site at any time.**
- **Only 6mm plastic BB's are allowed to be used.**
- **All measurements/calculations are based on 0.2g BB's.**
- **All weapons being used on the day must be chronographed prior to being used in the gamezone.**

- **All weapons must be tagged with the colour in use on that day.**
- **If you make any adjustments at all to your weapon or change BB weight during the day, you will need to be re-chronoed.**
- **The staff reserve the right to weigh any players BB's in use.**
- **Random chronographing will take place throughout the day.**
- **Anyone found to deliberately breaking the rules may lead to an exclusion from the site.**
- **The Marshalls decision is final.**
